

Statera Corn Mix 2x2

KEEP OUT OF REACH OF CHILDREN

Toxic to Aquatic Life. Avoid release to the environments

GENERAL INFORMATION

Statera Corn Mix 2x2 is a blend of macro & micronutrients designed for use in all cropping systems as an additive to row starter fertilizers. Statera Corn Mix 2x2 provides EDTA chelated and readily available mineral nutrition that is in the most plant available forms, for early-season root growth and vigor.

Statera Corn Mix 2x2 is compatible with orthophosphate and polyphosphate starter fertilizers.

Statera Corn Mix 2x2 is intended to be used as an addition to a NPK starter fertilizer. Starter fertilizers should be a supplement to a standard fertility program and alone will not provide all the necessary nutrition to optimize yields.

APPLICATION RECOMMENDATIONS

When mixing Statera Corn Mix 2x2 with any other fertilizers or pesticides, the individual making the mix is responsible for the seed safety of the mix. A jar test should be performed prior to mixing Statera Corn Mix 2x2 with any other fertilizer blend or pesticide. Observe mixture for a 24 hour period, prior to mixing large quantities, to insure compatibility.

Soil Applications

Row Starters - Apply 1 to 4 quarts/acre in-furrow or 2 x 2 at planting depending on soil fertility needs.

TANK MIXING INSTRUCTIONS WITH FERTILIZERS

1. Fill tank at least ½ full of liquid fertilizer.
2. Add any additional pesticides.
3. Fill balance of tank with liquid fertilizer or water.
4. Pour in desired rate of Statera Corn Mix 2x2.

Foliar Applications

Broadcast - Apply 1 to 2 quarts/acre as a broadcast application to minimize nutrient deficiencies. Dilute with water and apply in a minimum of 10 gallons /acre.

TANK MIXING INSTRUCTIONS WITH PESTICIDES

1. Fill tank ½ full of water.
2. Add AMS based water conditioner adjuvants and other tank mix adjuvants (as needed), agitate.
3. Pour in desired rate of Statera Corn Mix 2x2, continue agitation.
4. Add pesticides per label, continue agitation.
5. Finish filling tank.

NOTES

All micronutrient blends can potentially cause antagonism when tank mixed with pesticides. Consult tank mix instructions on pesticide label(s) prior to adding Statera Corn Mix 2x2 to tank.

Nutrients Supplied: (pounds/gallon)

Total Nitrogen	0.44
Sulfur	0.33
Copper	0.03
Manganese	0.11
Zinc	0.65

Guaranteed Analysis

Total Nitrogen (N)	4.0%
3.0% Ammoniacal Nitrogen	
Sulfur (S)	3.0%
3.0% Combined Sulfur	
Copper (Cu)	0.25%
0.25% Chelated Copper	
Manganese (Mn)	1.0%
1.0% Chelated Manganese	
Zinc (Zn)	6.0%
6.0% Chelated Zinc	
Derived from: Urea, Anhydrous Ammonia, Copper EDTA, Manganese EDTA, Potassium Thiosulfate, Zinc EDTA.	

STORAGE & DISPOSAL

Store product in original container. Do not store near heat or open flame. Do not reuse container. Do not contaminate water, food or feed by storage or disposal. Keep packaging closed, securely fastened and upright. Store in clean, polyethylene or stainless steel dedicated tanks. This product will freeze at 32°F. Store above 41°F. Triple rinse containers (or equivalent) prior to disposal. Add rinsate to tank. Offer container for recycling or dispose of properly according to state and local authorities. If burned, stay out of smoke.

PRECAUTIONARY STATEMENTS

Avoid contact with eyes, skin and clothing. Avoid contact with open cuts or sores. Avoid breathing vapors. Use with adequate ventilation. Eye protection and gloves are suggested when handling undiluted product. Wash thoroughly after handling and using this product. Product users should avoid prolonged or repeated skin contact by wearing impervious gloves, long sleeve shirt, long pants, socks and rubber boots. Splash-proof safety goggles for eye protection are recommended.

FIRST AID

SKIN: Wash with soap and water for 10-15 minutes . If irritation persist, get medical attention.

EYES: Flush with cool water for at least 15 minutes. Remove contact lenses if present and easy to do; continue rinsing. If irritation persist, get medical attention.

INGESTION: Drink large amounts of water. **DO NOT INDUCE VOMITING.** Get medical attention immediately or call a Poison Control Center. Do not give anything by mouth to an unconscious person.

INHALATION: Get person to fresh air. If unconscious get medical attention.

When contacting a physician, have SDS and product label available.

For Chemical Emergency: Call the POISON CONTROL CENTER at 800-222-1222

CONDITIONS OF SALE

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
