GENERAL INFORMATION

ACOUSA improves the effectiveness of certain post emergent herbicides, desiccants, defoliants, insecticides, fungicides, acaricides, and miticides to enhance activity.

ACOUSA improves performance of the active spray ingredients by providing more uniform distribution and better wetting of the plant surface.

USE PRECAUTIONS

Carefully read all Directions For Use, Terms and Conditions of Sale, Limitation of Liability and Warranty Disclaimer before using this product. If terms are not acceptable, return the unopened product container at once.

DIRECTIONS FOR USE

The accompanying pesticide label often provides specific use rates, mixing, and application instructions, and any additional precautionary statement. Always read and follow label directions of the pesticide being applied.

Post emergence herbicides: 1 to 4 pints per 100 gallons (0.125% to 0.50% v/v) spray solution.

Fungicides, insecticides, acaricides: 4 to 8 fluid ounces per 100 gallons.

Unless instructed otherwise by accompanying pesticide label, add ACOUSA as the first component to the spray tank.

ACOUSA is not for aquatic use.

CONDITIONS OF SALE

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
