

# Statera 9% Zn EDTA

**KEEP OUT OF REACH OF CHILDREN**  
**WARNING**  
Harmful if swallowed. Toxic to aquatic life.

## GENERAL INFORMATION

Statera 9.0% ZINC CHELATE SOLUTION (EDTA) is recommended for: 1) incorporation in liquid starter fertilizer at time of planting, 2) a side dressing application, or 3) other situations where it is difficult to get zinc into root zones without damage to roots. Foliar applications of Statera 9.0% ZINC CHELATE SOLUTION (EDTA) are recommended when fast correction is necessary or soil application is expensive and impractical. Statera 9.0% ZINC CHELATE SOLUTION (EDTA) should be well mixed with water or fertilizer solutions before foliar application. While phytotoxic symptoms may occasionally occur on very sensitive crops, the mixing of 1 quart of Statera 9.0% ZINC CHELATE SOLUTION (EDTA) with 100 gallons of water has been extremely successful in foliar usage. A small amount of wetting agent will ensure even distribution of the solution on leaf surfaces.

## PRECAUTIONARY STATEMENTS

Wash hands, forearms and face thoroughly after handling. Do not eat, drink or smoke when using this product. Avoid release to the environment. If swallowed, call a doctor or poison control center if ingested or eye contact has occurred if you feel unwell. Rinse mouth. Dispose of contents/container. Dispose of at a licensed hazardous waste facility in accordance with state and local regulations.

## DIRECTIONS FOR USE

Use in accordance with recommendations of a qualified individual/institution.

**Soil Application:** Apply in-furrow, 2x2, or at sidedress or topdress. Do not apply directly on the seed in saline, alkali, or coarse textured soils.

**Foliar Application:** Fill spray tank with water prior to adding fertilizer or other products. Use only as a supplement to a regular nutrient management program. Repeat applications may be beneficial. Use only as directed to avoid foliar burn. Do not apply when crop is excessively stressed for moisture or during periods of high temperatures. Use of a surfactant may enhance leaf coverage and increase nutrient absorption.

## Guaranteed Analysis

Total Nitrogen (N).....	9.00%
9.00% Ammoniacal Nitrogen	
Zinc (Zn).....	9.00%
9.00% Chelated Zinc (Zn)	

Derived From: Zinc EDTA (Ethylenediaminetetraacetic acid), Aqua Ammonia

## FIRST AID

**SKIN:** Wash with soap and water for 10-15 minutes . If irritation persist, get medical attention.

**EYES:** Flush with cool water for at least 15 minutes. Remove contact lenses if present and easy to do; continue rinsing. If irritation persist, get medical attention.

**INGESTION:** Drink large amounts of water. **DO NOT INDUCE VOMITING.** Get medical attention immediately or call a Poison Control Center. Do not give anything by mouth to an unconscious person.

**INHALATION:** Get person to fresh air. If unconscious get medical attention.

When contacting a physician, have SDS and product label available.

For Chemical Emergency: Call the POISON CONTROL CENTER at 800-222-1222

## STORAGE

Store in original containers only. Keep containers tightly closed when not in use. Store in a cool, dry well-ventilated area, preferably in a locked storage area away from children, feed and food products, and seed. Store at ambient temperatures. Do not contaminate water, food, or feed by storage or disposal. **DISPOSAL:** Do not reuse container. Plastic: Triple rinse (or equivalent), adding rinse water to spray tank, then offer for recycling at an ACRF site (go to <http://www.acrecycle.org/> for locations) or by reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Do not contaminate water, food, or feed by storage or disposal. **HANDLING:** Avoid breathing fertilizer mists. Avoid prolonged or repeated skin contact. Avoid eye contact. Wash hands thoroughly after handling this product. **DIRECTIONS FOR USE:** Apply as needed based on soil tests or according to recommendations in your nutrient management plan. Also refer to Suggested Use Rates.

## CONDITIONS OF SALE

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
